

Creating An Environment For Raising Emotionally Healthy Kids

New Six Part Teaching Series

Starting Sunday, April 18, 2010 @ 11:00 AM

The environment in a home is extremely important and will massively **INFLUENCE** the **QUALITY OF LIFE** of a child. In this series you will learn the key **PRINCIPLES** and **SKILLS** that will set **THE STAGE** for your kids to become **EMOTIONALLY HEALTHY** functioning adults.

This series will also help adults re-parent themselves.

Positive Traits Of a Healthy Family

- Helping family members feel treasured
- Developing open communication
- Teaching respect for others

The Key Factors That Shape A Child's Life

- Avoid being overly reactionary
- Learning to avoid actions that reduce influence
- Creating the environment for trust to grow

Helping Kids Connect The Dots

- Teaching self control
- Making friends with reality
- Avoiding relational consequences

Keys To Determine The Weight Of Your Influence

- Growing a quality relationship to increase influence
- Nourishing your relationship with your kids

Helping Your Kids Figure Out Spiritual Things

- Creating a healthy picture of God
- Teaching your kids to trust God

Helping Your Kids Choose Healthy Friends

- Helping your kids connect with healthy kids
- Encouraging your kids to have other adult coaches

Everyone Welcome – No Fee – Casual Attire Encouraged

Quality nursery and children's programs running concurrently
